## Gripping Ifrs Volume 2 Pdf

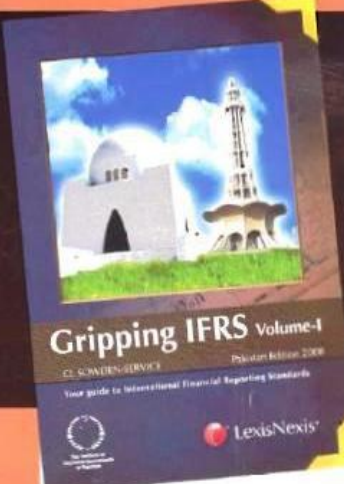

**GRIPPING IFRS** An easy to access, rich resource for study of International Financial Reporting Standards for students using English as a second language.

GRIPPING IFRS has been reviewed by ICAP's Board of Studies to help Pakistani students fully understand the basic concepts and principles of accounting.

Students will find GRIPPING IFRS an easy book to connect with, but one that provides excellent support for serious, critical study.

**Salient Features**

- ❑ Simple explanation of complex accounting issues
- ❑ Over 400 examples to clarify concepts
- ❑ Chapter summaries in chart flow diagram for quick revision and retention (ideal for self-study)
- ❑ Substantial coverage of syllabus for Modules C & E

Available at ICAP Head Office, Karachi and all regional offices by December 31, 2008.
